Vulpe, Beatriz Noelia

POLITÉCNICA

Renewable Energy Infrastructure

Wind farm

Thermal power plant

Solar power plant

Nuclear power plant

Hydroelectric power plant

Singular Projects

Dinamización y desarrollo rural

Innovación y digitalización rural

Sostenibilidad y medio ambiente

Greenhouse Gas Emission Zones

Protected Areas

Areas of Natural or Scientific Interest

European Connectivity and Protection Networks

Protected Natural Spaces

Population Density (inhabitants/km²)

0,2 - 3,8

3,8 - 8,6

8,6 - 21,1

21,1 - 82,4

82,4 - 27807,9
